CAMERON, MILAM COUNTY, TEXAS, THURSDAY, OCTOBER 6, 1949

NUMBER 25

HIGHWAY 77 WORK IS ORDERED HERE

90% MAJOR CROP PARITY IS VOTED

PARTY LINES BREAK UNDER CROP PROGRAM

WASHINGTON, Oct. 4—A Senate split wide open on the question of how to support crop prices tonight ended two days of bitter battling by temporarily shelving a long-range farm bill. The vote was 41 to 29.

The action came on motion of Senator Anderson, Democrat of New Mexico, former Secretary of Agriculture, after his flexible price prop bill had been rewritten into a high-support measure by Vice President Barkley's action in breaking a tie vote.

Anderson's motion to send the bill back to the Agriculture Committee for 48 hours was adopted.

Senator Lucas of Illinois, the Democratic leader, said the measure will be taken up again as soon as the committee returns it to the Senate.

"Furthermore," Lucas said, "we are going to get a farm bill this session no matter how long we stay here."

Barkley's first tie-breaking vote on a major issue staggered President Truman's effort to get passed a compromise farm bill.

It came out this way:

Senators Russell, Democrat of Georgia, and Young, Republican of North Dakota, had offered an amendment setting up price props at 80 per cent of parity on major crops—cotton, wheat, corn, tobacco, rice, and peanuts.

After the Senate had rejected the Russell-Young amendment by 37 to 37. Although Majority Leader Lucas was fighting tooth and nail for President Truman's principle of "flexible supports," Barkley voted for the reconsideration.

That turned the tide. The Senate voting again on the Russell-Young amendment, reversed itself and approved it by a shouted voice vote. Lucas, Anderson and Aiken stormed at their colleagues vainly.

HOME BUILDING LEADS CONSTRUCTION HERE

Building permits in the City of Cameron for the month of September totaled \$17,165.00 it was disclosed by W. H. Stafford, City Secretary, Monday morning.

In the totals for the month were four new residences and the remainder was for repairs.

The permit totals for September are higher than for August and will swell the annual total.

Since the close of the late war and the availability of materials construction in Cameron has totaled around a quarter million dollars a year. When compared to the needed new building here this total is not impressive, but denotes a slow growth of the most substantial type.

In the main building has been confined to the residence areas.

Business construction has been negligible but badly needed to provide office and business space. There are some projected mercantile site improvements that will be helpful for they will spread traffic and relieve shoppers from the ordeals of congested areas.

Mr. Stafford said that some \$15,000 of the total for the month were for four residences.

Coral Snake Bites Self And Is Dead

This is an unusual story. Coral snakes are among the few varieties of reptiles in the world that are venomous.

The other day Harold Presley at Hoyte took a coral snake and placed it in a glass jar for a Waco collector. The snake in a fit of anger at being cooped up was seen to bare its fangs and bite itself violently. In a few minutes it was dead.

Snake poison is carried in pouches at the base of its fangs and of course does not circulate in the blood. This is pretty fair proof of how bad is the Coral Snake, now being found in increasing numbers here.

COUNTY TAX ROLL IS \$17,086,166.85

MILAM BAPTIST WILL CONVENE HERE MONDAY

Baptist in Milam County will convene in Cameron Monday, October 10 for the thirty first annual session of the Association.

Percy A. Corkern, Pastor of First Baptist Church in Cameron, is Moderator and will be host pastor. He has arranged one of the best programs in the history of the Association.

Featured speakers are Dr. E. O. Wood, head of the Department of Psychology at Baylor University and R. A. Springer, Treasurer of the Baptist General Convention in Texas. They are on the morning program.

On the afternoon program the featured speaker is Dr. George T. Brown, pastor of Memorial Baptist Church in Temple.

The association program will be climaxed Monday evening by an address by Dr. Thomas H. Taylor, President of Howard Payne College at Brownwood.

Here is the complete program:

Morning Session

10:00—Song And Praise—H. M. Schultz.

Filing of Letters.

10:10—Seating of Messengers.

Adoption of Program.

Appointment of Committees.

Recognition of New Pastors and Visitors.

10:20—Report on Missions, State, Home and Foreign and Co-operative program—Linwood Peterson.

10:45 — Address on "Our State Work"—R. A. Springer.

11:15—Announcements.

(turn to page ten)

YOEMEN PREP FOR TECH TEAM FRIDAY

With the first scalp of the campaign hanging from their pelt pole, the Yoemen, showing signs of growing up quickly, went to work Monday in preparation for the game here Friday night with the Waco Tech High School.

Since these teams have not met before there is little on which to base comparison. As it looked Monday the game should be just a good workout. The Tech team has been defeated badly by Class B Teams, notably Moody. However this was an early season game and the Teckers may have improved some.

It is certain the Yoemen have improved a great deal but still have some rough edges to hone off before the business gets serious.

The Yoemen are apt to have a let down since they defeated Georgetown to enjoy a temporary lead with Killeen and Rosebud for district honors. Coach Smith was not taking any chances, however, and is playing each game on its importance and merits.

The next conference game will be with Taylor in Cameron on October 14.

\$31,963 Suit Pends In Auto Death Case

Suit for \$31,963.00 is pending in District Court here against S. Kestenbaum and Cameron Fruit Company and brought by Mrs. Maude Atkinson and her daughter, Susie, of Maysfield.

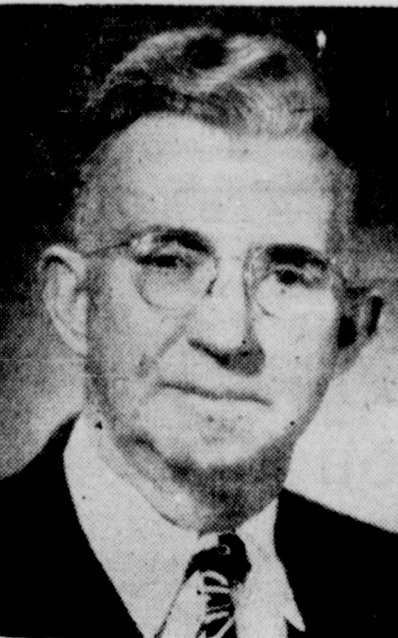

The suit was brought as the result of the auto crash death on December 17, 1948 of her husband, W. A. Atkinson. The crash occurred on Highway 190 near the scene of the late death of Harriet Lane Heath.

At the time of the accident a truck operated by the Cameron Fruit Company was returning to Cameron. It is alleged in the suit this truck was responsible for the wreck. When the machines collided Mr. Atkinson's car was overturned and crashed into a ditch.

DR. E. O. WOOD

Dr. E. O. Wood, head of the Psychology Department at Baylor University, Waco, will deliver the annual sermon at the Milam County Baptist Association convention in Cameron on Monday, October 10. Milam County Baptist are planning one of the best programs in the history of the Association with Percy A. Corkern, Pastor First Baptist Church in Cameron as Moderator.

DR. THOMAS H. TAYLOR

Dr. Taylor is President of Howard Payne College in Brownwood and will give the principal address at the closing session of the Baptist Association convention here on Monday night, October 10. Dr. Taylor is well known here. He was guest speaker at Rotary some years ago and is a past District Governor of Rotary.

R. A. SPRINGER

The address of Dr. Springer will be one of the high lights of the morning session of the convention of the Milam County Baptist Association here on Monday, October 10. He is Treasurer of the Baptist General Convention of Texas. His subject will be "Our State Work," and will speak at the morning session.

Miss Evelyn Zarosky of Waco visited her parents, Mr. and Mrs. Joe Zarosky Sr., over the week end.

Mrs. Robert Peebles visited in the home of Mr. and Mrs. Albert Sebesta Sunday.

108th Anniversary For Victoria Church

VICTORIA, Oct. 4—The 108th anniversary of the First Presbyterian Church was observed here Sunday. The church was organized October 2, 1841, and the first minister was William C. Blair, who had been a missionary to the Mississippi Indians in 1838.

The church here was the first Presbyterian Church west of the Colorado River. Daniel Baker, the famed preacher, held a revival here at one time which put the church on its feet in those early days.

Women of Central Texas Churches To Meet Here Thursday

Women of the churches of Central Texas will meet Thursday for an all day session, at First Presbyterian Church, Cameron.

Approximately sixty guests are expected from Rosebud, Marlin, Lott, Belton, Temple, Maysfield and Cameron.

The theme of the program will be "Strengthening The Grass Roots".

Lunch will be served at the noon hour in the church dining room.

Pardon For Condemned Comes 257 Years After They Are Hanged

The Massachusetts legislature has been asked to reverse the convictions of 21 persons hanged 257 years ago.

The action would absolve 16 women and 5 men accused of witchcraft in Salem in 1692. They were hanged between June and September of that year.

Man Arrested Not Employed By Reeves Construction Co.

Treedom Wilcox, 18 year old Dallas youth who was charged here Monday with burglary, is not an employee of the F. M. Reeves Construction Company, it was said here Tuesday B. C. Burber, in charge of construction on the Elm Creek Bridge.

Mr. Burber called this newspaper to say that the man is not employed by his firm. Wilcox was employed by a Dallas painting contractor who has the contract for painting the bridge.

Because the arrest and published story reflected on the character and good name of the men in the Reeves Construction Company here, a correction was asked and this newspaper is glad to make this correction for Mr. Burber and his company.

Storm Blows Inland Subsiding to 30 Mile Wind; Crop Damage

The Gulf hurricane was history Wednesday morning as it calmed down to 30 mile winds in northern Louisiana and eastern Arkansas.

Heavy rains were pelted away as far as Arkansas and in the wake of the blow heavy crop damage was reported, perhaps running into the millions. The biggest toll was in the rice fields around Houston.

The storm never reached the violence predicted, in fact was beneficial to a major portion of the area it covered with heavy rains. Cameron had no further prospect for rain.

WE GET .88 INCHES RAIN

Cameron had .88 inches of rain during the past 48 hours, it was reported at the office of the Community Public Service Company. We had only a trace Tuesday, most of the downfall being Monday and Monday night.

Tommy Story visited his aunt in East Texas Sunday.

INCREASE IS MADE IN COUNTY RENDITIONS

Milam County's tax roll for 1949 is \$17,086,166.85.

Valter White, Tax Assessor and Collector, has just completed the roll and certified the same to the court.

The roll shows an increase of \$120,260.00 over the 1948 roll but despite this added rendition, the county is still far below actual taxable levels on its renditions. Farm lands and other properties are still on the tax rolls at very low figures.

The increase in the tax roll means that the property owners will pay \$27,640 more taxes this year than they paid in 1948.

The increase in the rolls is regarded as very slight as the total rendition in the county is still at or below the taxable rolls some 25 years ago. Like all counties tax values have not kept pace with comparable increases in other fields and while properties have increased many times in recent years, tax rolls have remained substantially the same. The tax payer in Milam county is very fortunate in that his tax burden is light.

The rendition in 1948 was \$16,965,906. With the increase the tax bill this year will be \$328,906.86. The county tax rate is 75c and the state rate is 72c a total of \$1.47.

BELTON AND WHITNEY GET 12 MILLIONS

Smashing a four-month deadlock, Senate-House conferees in Washington yesterday agreed to appropriate nearly \$12,000,000 for the Whitney and Belton reservoirs.

Allocated to Whitney was \$10,500,000, to Belton, \$1,488,200.

The appropriation is for the 12-month period ending June 30, and puts to an end all fears of a possible early shutdown in the construction work at Whitney.

While the accord is subject to approval by the House and Senate, that action is expected within the next few days. The Associated Press said.

Altogether, the conferees agreed to appropriations of \$643,920,090 for flood control and navigation projects. All of the money is for use by the Army Engineers during the year ending June 30.

Recurrent reports of a possible shutdown in Whitney Dam construction had arisen as contractors on the job had become concerned at the long delay in authorizing money to continue the job. The reports had continued despite assurances from Congressmen Olin Teague and W. R. Poage that the necessary cash would be forthcoming.

In addition to the waterways funds, the bill carries money for other "civil functions" of the Army, including maintenance of the Panama Canal and operation of the national cemeteries. The Associated Press reported. The total is \$644,178,190.

The bill had been in conference since June 1. House members had refused to yield on some 19 projects added to the bill in the Senate.

Chairman Cannon, Democrat of Missouri, of the House Appropriations Committee called them "pork barrel" items and said that once started they would cost the Government a half-billion dollars.

The President's budget allotted \$772,458,222 to the Army civil functions. The House pared this to \$593,292,270 cutting all construction items 15 per cent in anticipation of lower construction costs and lopping off another \$75,000,000 of expected carryover.

The Senate added scores of projects and passed the bill at a total of \$751,440,690, an increase of \$158,148,420 over the House allowance.

Texas has 973 miles of coast line on the Gulf.

CAMERON TO FALLS CO. LINE CONTRACT SOON

County Judge Dan Tyson received information Wednesday night that the Texas Highway Commission at its meeting on Wednesday had authorized rebuilding of Highway 77 from Cameron to Burlington and the new road from Burlington to the Falls County line.

New right of way from Burlington to the Falls county line was recently obtained by the county. The highway commission has been very prompt in moving for construction of this most important highway through the northern section of the county.

In the view of the members of the Commission one of the worst sections of the highway will be removed when this stretch is constructed from Burlington to the Falls county line a short distance from Rosebud.

The highway from Cameron to Burlington will be rebuilt, since no right of way was necessary. From Burlington to the Falls county line it will be a new highway and new construction. There was no estimate on the total cost of this construction.

Two bridges, one across Elm Creek and another across Walkers Creek are nearing completion, these being the first units in the construction of the highway.

While the city of Rosebud had already voted \$25,000 in bonds to secure right of way through the city south and north and to build curbs, right of way has not been obtained through Falls county for Highway 77.

Judge Tyson was well pleased to have the information that the Texas Highway Commission had authorized the rebuilding and construction on the highway from Cameron to the Falls county line.

Highway matters have moved most satisfactorily since Judge Tyson took office. The Highway Commission recently authorized the reconstruction of a portion of Highway 36 from Cameron to the Bell county line and new construction on a portion of the Highway west of Cameron and through the city of Buckholts.

Contract was yet to be let on the authorization on Highway 77.

GIDDINGS WOMAN IS NAMED SUPERVISOR

Milam county has been placed in a new area for the Department of Public Welfare administration and headquarters has been moved from Cameron to Giddings.

Mrs. Mary Schneider of Giddings has been appointed Supervisor to succeed the late Harriet Lane Heath who was killed recently in an auto accident.

The new set up was announced here Tuesday. Milam county is in a new area with Lee county. The old district was Milam and Robertson.

An office will be maintained here but headquarters will be in Giddings, it was announced by Mrs. Schneider. Her offices will be in the court house at Giddings.

Mrs. Schneider was formerly supervisor for Lee, Bastrop and Fayette counties. She will spend part of the time in the office at Cameron and the remainder in Giddings. She has been with the Department of Public Welfare since 1941. No change was made in the field workers force. Offices are to be maintained in Milano, Rockdale and Cameron. Mrs. Mary Green and Louis Morgan will be in Cameron; Mrs. Pearl Williams and Miss Ema Harding at Rockdale and W. L. Woods at Milano.

Mrs. Heath was a resident here and maintained headquarters in Cameron.

Mr. and Mrs. Buck Darwin and son, John Carroll of Texas City were here for a few days during the storm. Mrs. Emma Moore, mother of Mrs. Darwin who has been visiting in Oregon returned to her home in Cameron Tuesday of this week and reported an enjoyable visit.

Mr. and Mrs. Earl Moseley and Miss Bernice Lucko were in Dallas for the showing of the Mystery General Electric household appliance. Mr. Moseley says it is the greatest invention of the decade and will soon tell his trade here about it.

FOOTBALL—

ELDON BATTE LEADS CHIPS DOWN OFFENSE

In a chips down battle that left nothing to be desired in color and thrills the Yoemen defeated the Georgetown Eagles here Friday night by a score of 36 to 22.

The game will go down in the books as one of the classic gridiron struggles in Yoemen history. Georgetown had been picked by many to win and some say it was an upset. The truth is the Yoemen outplayed the Eagles from start to finish, although they had to come from behind in the second quarter but Little Glenn Rosenberg's toe was the difference. The Yoemen led 7 to 6 at the half. The Yoemen amassed 15 first downs while the Eagles were getting only 4.

The Yoemen are a greatly improved team. They had blocking and they ran interference in a way they had not done this season. These two factors meant the difference.

Coach Paul Smith was smiling broadly as he left the field and the Yoemen, enthused by their victory, hoisted Eldon Batte to their shoulders and carried him from the field.

Line Coach Dick Young saw his Yoemen do a fine job, especially at end positions and the Yoemen in their first conference game were battling a 3000 per cent.

The Eagles scored first midway the first quarter as Bailey, a fine back, ran 58 yards. Cameron got the ball and never losing possession marched all the way and Eldon Batte swept through for 12 yards and the score. In a bit of fine line play Benson Ernie and Frank Malone, the left end broke through and blocked Benson's punt and the ball scooted back over the Eagle goal where it was covered at that was 2 points for the Yoemen.

Just to demonstrate they can do it, the Yoemen pushed all the way to the Eagle 4 as the half ended.

Opening the third quarter Eldon Batte fumbled the kickoff and the Eagles swarmed all over the ball. On the very first play Marshall passed to Jimmy Jones for a touchdown.

Cameron's winning score came late in the fourth quarter. A bit of brilliant ball totting by little endback Lanford and Eldon Batte, offensive star of the night, collaborated to get down to the Eagle two and when it seemed that nothing would work, Batte hustled hard and swept the Eagle left end for the score. The Eagles were offside on the attempted try as Rosenberg missed and he

got another chance and made good. That was the end of the ball game.

1st Quarter

Captains Ray Sanson and Max Barron won the toss from Captains Gordon Gibson and Alton Fuchs and elected to receive. Louis Holias, Bob Stanislaw, Joe Johns and Ralph Michalka were all down fast to spill Marshall on his 27 as Gibson sent the ball down. Marshall got five yards but Cole could not gain. Dean Shaver, a very fine back, who was to deal the Yoemen misery, made it a first down after 15 yards. On the next play Marshall covered a pitchout for a 6 yard loss as the Cameron wall sparked by Gibson moved fast. It was fourth down and Cameron refused a 15 yard clipping penalty against the Eagles. Sanson kicked to Fuchs who ran it back 26 yards, almost getting away, the ball on the Eagle 48. Eldon Batte who stood out as the offensive star of the game, made 6, then Little Eddie Lanford who came in for his share of the glory picked up 2. The Yoemen made the mistake of not kicking on the fourth down as they did in the Brenham game. Lanford could not make two yards and the ball went over. Marshall promptly ripped off 16 yards. On the play The Eagles drew 15 yards for holding. Shaver broke away for 36 yards but it was not enough. Fuchs and Gibson spilled him. Sanson kicked out on the Cameron 27. Fuchs lost 7 yards as the ball spilled away and then quick kicked to the Eagle 41. Bailey Marshall broke through center of the Cameron line and raced 51 yards for a touchdown. Sanson missed the extra try. It was Eagles 6 Yoemen 0. Barron kicked to Fuchs who ran it back 28 yards. A pass was no good and failing to make yardage Fuchs kicked out on the Eagle 20, a fine boot. Line plays failed and Shaver finally was run down on his 16. Batte ran the punt back to the Eagle 30. Batte racked up 8 and Fuchs made it a first down on the Eagle 19 as the quarter ended.

2nd Quarter

Eagles drew five yards for offside. Ball on the 14. Lanford could not gain, then Eldon Batte took a neatly handled ball from Fuchs as Charlie Michalka did a bit of magic as the man under, and the tall boy streaked over for a touchdown. Glenn Rosenberg who has been out with a bad ankle, kicked the extra point and it was 1 to 6 in Yoemen favor. Gibson kicked to Cole who almost got away. The Eagles drew 5 yards for offside. Marshall ran for 10, Shaver got one and a pass was no good. Eagles kicked out on Cameron 28. Batte, got a first down, Fuchs racked up 8 and Lanford went for 8 more and a

first down. Then it was Batte again for 8 and Fuchs for 8 and Charlie Michalka carried over for a first down on the Eagle 34. Batte took a pass and ran to the Eagle 10 yard line and then Batte carried to the 1. Here the Yoemen did a few strange things, first a pass and then line backs and the ball went over. It might and should have been another score, but they got a safety a few moments later. Marshall and Shaver made a first down and the ball was on the Eagle 18. Big Midey Eixman crashed down a third down attempt to run the ball out and the Eagles had to punt. Louis Holias broke through and blocked the punt and the ball scooted away and Sanson fell on the ball behind his goal and that gave Cameron a safety. The Eagles had to kick from the 20. Batte ran it back to his own 47 and on a pass Frank Malone was hard hit and the ball got away. Cameron drew 15 yards for holding. Lanford got the fifteen back in a brilliant run. Fuchs skirted the Eagle right end for 16 and Batte racked up a first down on the Eagle 30. Lanford got 22 for another first down and Charlie Michalka racked up 6 to put the ball on the Eagle 12. A pass was no good. Cameron drew five yard penalty and as the half ended Lanford ran the ball to the Eagle 1.

3rd Quarter

Cameron deployed to receive and Barron kicked to Fuchs who got back to his 30. Fuchs picked up 8 and Batte lost a yard. Frank Malone took a pass from Fuchs for 20 yards to put the ball on the Eagle 41. Fuchs could not get his pass away and finally threw to Gibson and that cost us 15 yards. Batte got 4 yards and Joe Johns took a pass neatly from Fuchs for 11 yards. Fuchs had to punt and the ball went out on the Eagle 31. Line plays and a pass failed and Cameron fumbled the punt and Eagles recovered. The ball was on the Cameron 30. James Jones who had subbed into the backfield took a pass from Marshall and it was good for a touchdown. They missed the extra try as Holias went through to tip the ball. It was Eagles 12, Cameron 6. Fuchs made a short run back and Batte made four on a long end sweep and the Eagles drew 15 yards for roughness. Lanford made 7 and 2 and the ball went over as Cameron failed to make a foot. The ball was on the 30 and Cameron drew five yards for delay of the game. Eagles drew five for offside. The Cameron line led by Benson Ernie swarmed all over the ball carriers and they had to kick. Batte fumbled the kick off but finally got hold and ran it back to the Cameron 39. Earliest Batte 200 pound tackle and Bill Neely at Right Guard are doing a fine job in the line. Lanford picked up 6 yards. Eagles refused a penalty of five yards against Cameron and this cost them a first down as Batte and Fuchs collaborated to make it a

first as the quarter ended.

4th Quarter

Bill Neely came back in for Ernie. It was fourth down and Batte had to hustle but he made it and a first down on the Eagle 33. Fuchs carried for 4 yards and Lanford missed a pass back and lost 14 yards. A penalty was refused by Eagles and Malone was jured on a long pass and it was intercepted by Ray Sanson. On the next play Marshall picked up 5 and then Cole made a first down

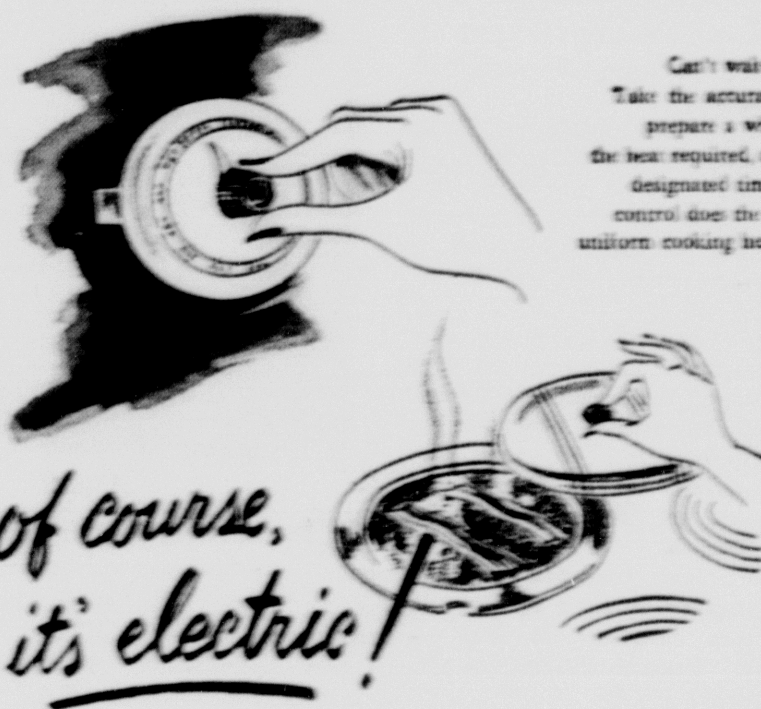

Batte threw Cole for a one yard loss and a quick kick went way over the Yoemen safety's head. Batte on the first play ripped off 25 yards and the drive was on. Little Eddie Lanford got 20 yards and was almost away for the score. Michalka failed to gain and Lanford made it a first down on the 25. Batte then took a pass to the 10. Lanford then carried to the 2 and Shaver was badly hurt on the play. Fuchs could not gain. Batte took a delayed hand off

from Michalka and swept around the Eagle left end for the score standing up. Glenn Rosenberg laced it through and the score was Cameron 16, Georgetown 12. Gibson kicked off to Marshall and as the teams squared off time ran out and the game was over.

Mr. and Mrs. Louis Gohmert of Corpus Christi spent the week end visiting Mr. and Mrs. L. P. Gohmert and Becky of Cameron.

ABOUT MY ELECTRIC RANGE!

Can't wait to get into the kitchen in the morning? Take the accurate temperature control, for instance... I prepare a whole meal, set the temperature control to the heat required, and all I do is take it out of the oven at the designated time. It's as easy as that, for the temperature control does the watching for me—turn on and off to keep uniform cooking heat... and I get perfect results every time!

The deep-well cooker, a wonderful feature in the new electric ranges, is perfect for stews, baked beans and other one-dish meals, as well as complex balanced meals. Saves plenty of time... and money, too!

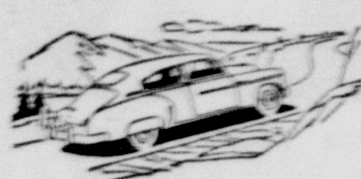

That's there's the big event! I can cook a whole turkey, or ham, and all the trimmings, even desserts, at one time. Yes, I love cooking... cooking the electric way. It's cool, economical, fast and time-saving! Take my advice—stop by your Electrical Appliance Dealer and see the modern electric ranges!

JOE JANES, PIONEER DIED HERE SUNDAY

(From the Daily)

Joe Janes, pioneer Texan, died in Newton Memorial Hospital at 4 p. m. Sunday, October 2, at the age of 77 years.

Mr. Janes was born at Wesley, Texas, but had lived near Buckholts for a long time. He was born on June 10, 1872.

Funeral services were to be held from the Marek-Burns Funeral Chapel in Cameron at 1:30 p. m. on Tuesday, October 4, by Rev. H. E. Beseda of Caldwell, pastor of the Czech-Moravian Church. Interment will be made in the cemetery at Corinth.

Mr. Janes had been a resident of the Corinth and Buckholts communities for a long period of time and had devoted his earlier years to farming. He was a member of the SPJST Lodge at Buckholts.

The body of the pioneer will be at the Marek-Burns Funeral Home in Cameron until the funeral hour Tuesday.

Surviving are his widow Mrs. Rosie Janes of Buckholts, four sons, Edd Janes, Ernest Janes, of Buckholts; Lad Janes of Temple and Willie Janes of Dallas; one daughter, Mrs. Martha Stalmach, of Buckholts.

Four brothers and three sisters survive as follows: Willie Janes of Wendell, Idaho; Henry Janes of Houston, Vince Janes of Wesley, Texas, and Frank Janes of Buckholts; Mrs. Annie Sebesta of Houston and Mrs. Frances Marek of Industry, Texas.

Relative Of Cameron Woman, Killed In Wreck of Bomber

Capt. F. C. Melton, Jr., of Waco, killed in a plane crash near Raton Pass, New Mexico, Friday night, was a brother in law of Mrs. Jack Higginbotham of Cameron.

Mrs. Higginbotham is the wife of Jack Higginbotham of the Texas Highway Patrol in Cameron.

Capt. Melton was on a routine flight with 10 other members of the Army Airforce, when the B-17 crashed in the wild country near Raton, Pass. The flight was being undertaken from El Paso to Denver, Colorado.

Capt. Melton was the son of Mr. and Mrs. F. C. Melton of 722 East Webster Street, in Waco.

Harold A. Thomas Is Now Administrator At Newton Memorial Hospital In Cameron

Harold A. Thomas has accepted the position of Administrator of Newton Memorial Hospital.

After some two months performing the duties of Administrator, Mr. Thomas has accepted appointment and now becomes a fixture with the organization of the Hospital.

Mr. Thomas is a graduate Accountant, from University of California at Los Angeles. From UCLA he went to Stanford University in California and graduated from the course in Hospital Administration. By combining his Accountancy degree and Hospital Administration knowledge, Mr. Thomas fits well into the place he has accepted here with the Newton Memorial Hospital.

Mr. Thomas has made a careful study of the hospital here and says he has been able to effect a great many economies and on some 50 items has worked out lower costs and savings. These reduced costs, he said, will be passed along to patients whose hospitalization costs will be lower. These savings have been made possible by a number of better business methods and buying.

One of the things responsible for a better operation of the hospital is prompt billing and collections, so vital to all such institutions.

Mrs. Ben Kennon, Lillie Bell and Miss Annette Price transacted business in Belton Thursday.

Lloyd Albertson Hits Pulps With Cracking Yarn About Sheriff

Lloyd Albertson, Cameron writer, is bombarding the pulps now but hopes to get in the smooth sheet magazines some of these days.

Detective Tales recently published a short story by Albertson, a bit of good fiction in the best tradition of Southwestern color writers. The story is about a Sheriff who cleaned up on a gang and won an election after he was dead. Quite a story.

Albertson has sold a number of stories. He holds to fiction. There is no restraint on imagination and there is less research. His agent is calling for more. He has a story in the typewriter now.

Mrs. Bill Burns, Mrs. Make McDermott and Mrs. Lester Williams were visitors in Waco Thursday.

Milam County Gets Cash From Gasoline Tax; \$35,823.00

Milam county was better off today as division of the 4c gasoline tax under the bond assumption law was made by the state.

The tax dividend is part of a \$5,500,000 surplus going to 254 counties.

Milam county received a total of \$35,823.00 and of this amount \$17,763 is applied to bonds and interest assumed by the state and \$17,060.00 is cash.

The state assumed \$332,300 in bonds and has paid \$279,100 in principal and \$182,616 interest. There remains to be paid \$53,200 principal and \$7,751 interest. Previous cash benefits over bond and interest requirements have been \$107,751.

Mrs. J. S. Jacob of Rockdale transacted business in Cameron recently.

Society in the News

MRS. WILLIAM A. MULLER

Mrs. Muller, before her marriage on September 10 was Miss Myrtle Jean Crawford of Cameron, daughter of Mr. and Mrs. T. A. Crawford. They were married in Balboa in a ceremony at Redeemer Lutheran Church.

Myrtle Jean Crawford And William A. Muller Married In Canal Zone

In a beautiful candlelight ceremony, at seven-thirty o'clock in the evening, September 10, 1949, at the Redeemer Lutheran Church, Balboa, Miss Myrtle Jean Crawford, daughter of Mr. and Mrs. T. A. Crawford of Cameron, Texas and Mr. William Allen Muller, son of Mrs. Margaret T. Muller and the late Jack A. Muller of Balboa, were united in marriage. Chaplain E. W. Leverenz read the double ring ceremony.

The altar and choir rail was banked with baskets of regal lilies and bridal greenery, which was illuminated with tall white tapers in branched candelabra. The pews were marked with tall tapers and clusters of favors tied with white ribbon.

Preceding the ceremony, Mrs. W. Zibell, organist, played a prelude of pre-nuptial music and the traditional "Bridal Chorus" from Lohengrin. Mendelssohn's wedding march was played for the recessional. Mrs. Norman Rehbein, soloists, sang the

beautiful songs "Loves Old Sweet Song" and "Because".

The bride escorted and given in marriage by John W. Muller of Margarita, brother of the groom, was lovely in a white organdy gown, which was made by her mother, fashioned with high neckline and an inserted sheer net yoke, fitted to the bodice and a full gathered skirt of daintily picotéd scalloped ruffles extending from the waist to the hemline, forming a graceful ruffled cathedral length train. Self-covered buttons extended from the neck to the waistline in back. The fitted sleeves came to a point over the hands. Her finger-tip veil of illusion was held in place with a lovely coronet of seed pearls. She carried a shower bouquet of white carnations centered with gardenias and entwined with bridal streamers.

Miss Catherine E. Muller, sister of the groom was maid of honor and was gowned in apple green organdy fashioned with a high neckline, inserted yoke of eyelet and a pointed ruffle which circled the shoulders, fitted bodice and skirt with a deep eyelet ruffle inset over the hipline. She wore a halo of flowers, and carried a shower bouquet of pale orchid carnations.

The little flower girl, Harriet Gravelle, daughter of Mr. and Mrs. Frederick Gravelle, wore a frock of peach colored organdy made with a net yoke and the full skirt was trimmed with a matching ruffle. She wore a flowered shepherd's bonnet, and carried a basket of carnation petals.

George E. Muller was best man for his brother and ushers were Burton Benoit and Michael Zizzi.

Following the religious ceremony a reception for 150 guests was held in the service center adjoining the church. The reception hall was decorated with potted palms, bridal greenery and regal lilies. The bride's table was beautifully arranged with white carnations and centered with a four-tiered wedding cake topped with tiny bride and groom.

In the receiving line with Mr. and Mrs. Muller was the groom's mother gowned in a charming dress of aqua silk. She wore a corsage of gardenias, and Miss Catherine Muller,

Miss Roberta McCloskey presided at the bride's book.

Mrs. Muller arrived on the Isthmus August 26 by plane from Texas. She attended Yoe High School in Cameron and graduated with the class of 1947. Prior to her marriage she was employed with Southwestern Bell Telephone Company in Cameron.

Mr. Muller attended Canal Zone schools and was graduated from the Balboa High School in 1946, and the Canal Zone Junior College in 1949. He also attended the University of Texas in Austin, and is now employed with the Electrical Division of the Panama Canal.

For a wedding trip to Santa Clara, the bride wore a navy blue sheer dress and navy hat with white accessories. They are making their home at 0779-E Williamson, Balboa.

Joe Anne Crawford And Richard Norman Married In Cameron

The marriage of Miss Joe Anne Crawford and Richard Lee Norman was solemnized Thursday evening in the light of myriad cathedral tapers at the North Central Church of Christ in Cameron. Mrs. Luther Norman, grandfather of the groom, performed the double ring ceremony.

Mr. and Mrs. T. A. Crawford of Cameron, are the parents of the bride and Mr. and Mrs. Wilford Norman of Austin are the groom's parents.

Mr. Crawford gave his daughter in marriage. She wore a gown of antique ivory satin, designed with a taut bodice, low neck line outlined with an upstanding portrait train. A delicate tracery of seed pearls enhanced the collar and the dainty head-dress which held her veil of French illusion, and she carried a bouquet of carnations and stephanotis, centered with a white orchid and caught with white satin streamers and illusion.

Miss Sylvia Hueghn was maid of honor and Miss Rita Wheeler was bridesmaid. They were gowned alike in pastel satin and carried fan designed arm bouquets of white asters and woodwardia fern tied with white streamers.

The little flower girl, Mary Alice Duncum, wore a floor length frock of white taffeta and a halo of pastel blooms. She carried a basket of rose petals.

Tommy Whiddon, of Austin, attended the groom as best man and ushers were Gene Jennings of Austin and Bob Merrill, Jr., of Dallas.

The ceremony was read before an altar banked with candelabra arranged with white asters, white carnations and bridal greenery. White satin bows marked the pews and a white nylon isle runners was used.

Harold Woods of Austin sang "Love's Old Sweet Song" and "Because". The wedding marches were sung by a chorus from the University Avenue Church of Christ in Austin.

After the wedding, Mr. and Mrs. Crawford were hosts for a reception at their home. The lace laid bride's table was centered with the four tiered wedding cake which was topped with a miniature bridal couple. Miss Rita Wheeler served the cake and Miss Sylvia Hughes presided at the punch bowl. Miss Maudine Wheeler attended the bride's book.

During the evening the young couple left for their wedding trip. For travel, Mrs. Norman chose a suit of black faille and a white orchid corsage. When they return, Mr. and Mrs. Norman will make their home in Austin, where he is an employee of the Capitol National Bank of that City.

Among the guests from Austin were Mr. and Mrs. Wilford Norman, Mr. and Mrs. Henry Hoes, Mrs. Frank Hoes and Sandra, Mr. and Mrs. Jack Courevalis, Mrs. Tom R. Wheddon, Mrs. E. P. Henry, Misses Rose Owens, Nancy Gant and Bernice Clifton, Gene Plummer, Mrs. Lena Clifton, Jess Hall and J. T. Foster.

Other out of town guests were Mr. and Mrs. Frank Merrill of Dallas and Mr. and Mrs. Luther Norman of Wharton and Mr. and Mrs. Elmer Irby of Rockdale.

42 Leisure Club In Session Thursday

Mrs. Jim McGoldrick entertained the 42 Leisure Club at her home Thursday afternoon, September 22. Colorful Asters and potted plants decorated the rooms of the McGoldrick home.

Several games of 42 were played with table cuts going to Mrs. August Gurecky, Miss Olga Marek and Mrs. Leo Stetche. Mrs. Henry Dakel won high score, Mrs. Bill Balhorn second high and Mrs. Vince Lesikar the 84 prize. Mrs. Leo Fuch received the consolation prize.

Guests for the afternoon were Miss Olga Marek, Mrs. Henry Dakel and Mrs. Ransour.

The hostess served delicious apple pie a-la-mode.

Mr. and Mrs. A. L. Jackson of Bryan were guests of Mrs. Oscar Pattillo over the week end.

Betty Lou Wiginton And E. Horstmann, Jr., Married In Cameron

Miss Betty Lou Wiginton, daughter of Mr. and Mrs. Lasco Wiginton of Lakeview became the bride of Elimar (Buddy) Horstmann, Jr., son of Mr. and Mrs. Elimar Horstmann of Buckholts, at four o'clock in the afternoon, September 23, 1949, at the First Baptist Church in Cameron with the pastor, Rev. P. A. Corkern officiating.

Accompanying the bride and groom were Mr. and Mrs. Leon L. Brady, sister and brother-in-law of the groom and the groom's parents.

The bride wore a grey gabardine suit with a gray feathered hat framing her face. Her accessories were red and her corsage was white.

For something borrowed she carried a handkerchief belonging to Mrs. Brady from Paris, France and for good luck she wore a penny in her shoe.

Mrs. Brady chose a brown gabardine suit with green accessories and a brown and yellow corsage.

Mrs. Horstmann is a graduate of Gatesville High School and a senior of South West Texas Teachers College.

Mr. Horstmann is a graduate of Buckholts High School and received his BBA degree from South Texas State Teachers College, August 25, 1949. He is a veteran and served three years.

After a short wedding trip to San Antonio and Kerville the couple will make their home in Buckholts for the present.

Garden Club Meets In First Session Here Tuesday Morning

The "Civic Garden Club" met in the first organized meeting of the year Tuesday morning, October 4, at 9:00 a. m. with a membership of thirty-five.

Newly elected officers are: President, Mrs. J. D. Moore; Vice President, Mrs. F. W. Carr; Secretary, Mrs. Morris Eplen; Treasurer, Mrs. Leo Fuchs; Cor. Secretary, Mrs. Jack Higginbotham; Parliamentarian, Mrs. F. G. Lesovsky; Historian, Mrs. J. S. Hubert; Reporter, Mrs. Charles Brady; Time Keeper, Mrs. Giles McDermott.

Mrs. Moore presided at the business session and various committee reports were heard. The president announced other committees would be appointed later.

The group decided each member should have an individual project, keeping scrapbooks on some plan of gardening, particularly interesting to each, and these scrap books to be shared with the entire group.

For the Club project, the members voted to have an "Annual Christmas Show" to be held the first of December.

The regular monthly meeting will be held the second Thursday at 9:30 a. m. at the Milam Coffee Shop.

Home Making Skills Developed In Milano By HM Students

Developing practical homemaking skills has been the big goal for the Milano Homemaking classes during the first month of school. The Homemaking Cottage has provided a good setting for the teaching of these skills and techniques of color combinations of room decoration, planning and making glass curtains and draperies, dyeing materials, working with used materials, painting, varnishing, etc.

Included in the work which has been completed are; an unfinished desk chair, the arms of the studio couch, one occasional chair, and old curtains from the laboratory which was made into curtains for the dressing table and stool.

The laboratory is on the north and is used for nearly all of the class work. The white organdy curtains finished two years ago and the white ducking machine covers made many years ago gave the room a cold, icy, uninviting appearance. Sunshine and cheerfulness were brought into the room by dyeing the curtains maize yellow and the machine covers golden brown. These colors blend well with the natural finished work table tops in the room which were re-finished by the girls this month.

The girls in Homemaking II have planned the budget that the department will operate by this year. They are obtaining more budgeting experience by planning home food budgets before beginning their food studies proper.

As a result of study and experience in their homemaking class work, the students have been able to make improvements at home. Several girls have completed their home work and others have plans made for further improvements.

Mrs. L. M. Zalesky of Buckholts transacted business in Cameron Tuesday.

Milano Home Makers Install New Members In Cremony Thursday

The Milano Future Homemakers held their annual installation of new members Thursday evening September 22 from 7:30 to 9:00 in the School lunchroom, in a formal candlelight ceremony. Eleven new members were installed in the presence of fifty-five guests and the twenty-two existing members.

At the close of the ceremony, Geneva Hurt, chapter president, introduced the new chapter father, H. H. Pruett, and announced the chapter mothers, Mrs. Bill Morgan, Mrs. Gertrude Pruett, Mrs. Alvie Blackmon, Mrs. Pearl Williams, Mrs. R. P. Fussell and Mrs. Make McDermott.

Mrs. Whatley, sponsor of the Club, introduced the advisory committee: Rev. H. A. Spell, minister; J. E. White, vocational agriculture teacher; Mrs. W. T. Whatley, homemaking teacher; Mrs. Willard Pierce, mother of an elementary school girl; Mrs. Vester Boggan, recently married graduate; Mrs. Gertrude Pruett, mother of a girl who has finished three years of homemaking; Mrs. Bill Morgan, mother of a girl taking homemaking; and Mr. Pruett, superintendent of schools, chairman. The purpose of this committee is to evaluate the homemaking program and to help in making it fit the needs of the community and reach as many people as possible.

Mrs. Whatley also explained briefly the purpose of homemaking while the girls prepared refreshments of white cake and red punch, representing the Club's colors. The lunch room was decorated with red roses, the Club's flowers.

During the social period, the guests were entertained with piano selections by Barbara Jo Eland, a new member.

New members are; Juanita Beavers, Caroline Belt, Norma Jane Burgess, Joyce Coldiron, Dorothy Cotton, Ruth Denman, Norma Jan Key, Edna Jane Morgan, Joyce Woodum, Ruth DuBose, Barbara Jo Eland, and Faye Lewis.

Guests for Cameron were: Erith Baldrige, Ann Glenn, Claudell Robinson, Barbara Ann Jenness, Mary Ann Kennon, Betty Jo Glaser, Jo Ann Carter, Minnie Alice Cowan, Doris

Jean Partee, Jeanette Hairgrove and Bon L. Harris.

Guests from Gause were: La Verne Kruehl, Mrs. M. L. Ealand, Mrs. D. H. Key, Mrs. J. R. Browder, Mrs. E. H. Lewis and Mrs. Ariel H. Kyle.

Wet Roads and Fast Driving Send Three To Hospital In Series Monday Wrecks

Three persons were hospitalized Monday because of injuries from accidents on the highways near Cameron during the rain that caused driving hazards.

Albino Gonzales, 21 year old Mexican from Brownsville, was taken to St. Edwards Hospital for treatment of a bruised shoulder.

Geraldine Oxford and Jessie Gaines of Cameron were taken to Newton Memorial Hospital with serious injuries.

Gonzales was injured when a truck driven by Abel Alvarez, went out of control on Highway 77 near the Yarellton turn off, and was overturned. The Mexicans are employed at Yarellton as cotton pickers.

Miss Oxford and Miss Gaines were both critically hurt near Maysfield when the car driven by Miss Oxford went out of control on the wet pavement and turned over twice before impacting in a ditch.

Calina Payne, negro, was slightly injured and two other occupants of his car escaped hurts, around 4:30 p. m. Monday at the Elm Creek bridge on Highway 77 when his car collided with a car driven by Edgar R. Dabney of Sinton, Texas. The wet pavement caused the accident as Payne's car went out of control. Mr. Dabney who is with the Texas Employment Commission, said his car was damaged to the extent of some \$200.

Church Women Here To Pack Bundles For Europe, Asia

Cameron Council of Church women will join the United Council of Church Women in observing World Community Day on Friday, November 4, at the Episcopal Church at 3:30 p. m. "Peace is Possible," is the theme around which the women across the country and some few in other countries will renew their faith, broaden their vision, and touch hands with the women of other lands through gifts.

"Pieces For Peace," a project to provide cloth for the women of Europe and Asia to make the clothing necessities for themselves and their families will be packed by individuals and organizations to be taken to the church for the dedication service on World Community Day. Yard goods of cotton, woollens or prints are most needed, rayon is not recommended for the bundles. Yarn, floss, cro-

chet cotton, rimmings, and tools to work with including needles, thread, tape, shears, etc., should be included.

To prepare contributions, interested persons are advised to take a piece of light cardboard 15-24 inches in size and place it flat on the table. On that base, the pile of materials and clothing is built. Good garments are not excluded from this project for they are certainly needed but the aim is to collect 60 per cent new materials. Wrap the bundle in a yard and a half of blue denim (for patching overalls), tie it securely and take it to the church.

An offering of money to speed the bundles overseas and to support a program for bringing displaced orphans to home in America is also acceptable.

Commercially manufactured ice originated in Texas.

Culberson County, Texas, with 3,848 square miles, has a population density of .4 persons per square mile.

Wild Cougar Used In "The Big Cat" At Cameron Thursday

The cougar used in Eagle Lion's Technicolor drama "The Big Cat," which is coming Thursday to the Cameron Theatre, was a wild one to start with. But after Trainer Curley Twilford got through with training him to be especially ferocious in certain sequences, he was probably the most savage cougar (in or out of captivity) in the United States.

At first Lon McCallister, who stars with Peggy Ann Garner and Preston Foster in "The Big Cat," thought he might like to have the mountain lion as a pet, and made arrangements for him to be sent to his ranch. But it very soon became apparent that it would be easier to keep a carload of atom bombs there. McCallister abandoned the idea.

Next, the owner of one of the largest lion farms in the west, Bob Condon, was asked if he would like

THE CAMERON HERALD

OCTOBER 6, 1949

the cougar. He said fine, took the beast, but was back one week later with it and said:

"Here, take this thing back. He's so tough that he attacked every other lion at the farm, spoiled their dispositions, and disrupted the routine of the place completely."

Finally the one real solution to the problem presented itself. If you should ever be traveling through Oregon and stop at its most famous zoo, and see there a perfect, though savage specimen of a cougar, you can be quite sure that it is the same one that gave Director Phil Karlson, Producer William Moss, Trainer Curley Twilford and Lion Raiser Bob Condon so much trouble when "The Big Cat" was finished shooting.

Texas' Governor rules over more territory than any European king, president or premier in the continental limits of his country, except Russia.

A. D. Lagrone spent the week end visiting his parents in Milano.

Mrs. Allen Womack of Beaumont spent several days in the home of Mr. and Mrs. Gibb Terry last week. Mr. and Mrs. C. L. McLendon and children of Kilgore were recent guests in the Terry home. Mrs. McLendon is the daughter of Mr. and Mrs. Terry.

The Comal River rises in New Braunfels, Texas, and before it leaves town, empties 220,000,000 gallons of water daily into the Guadalupe River.

Miss June Tindall, Reba Fite and Bobby Hibbs of Galena Park, Houston were Sunday guests of Mr. and Mrs. Ed Tindall.

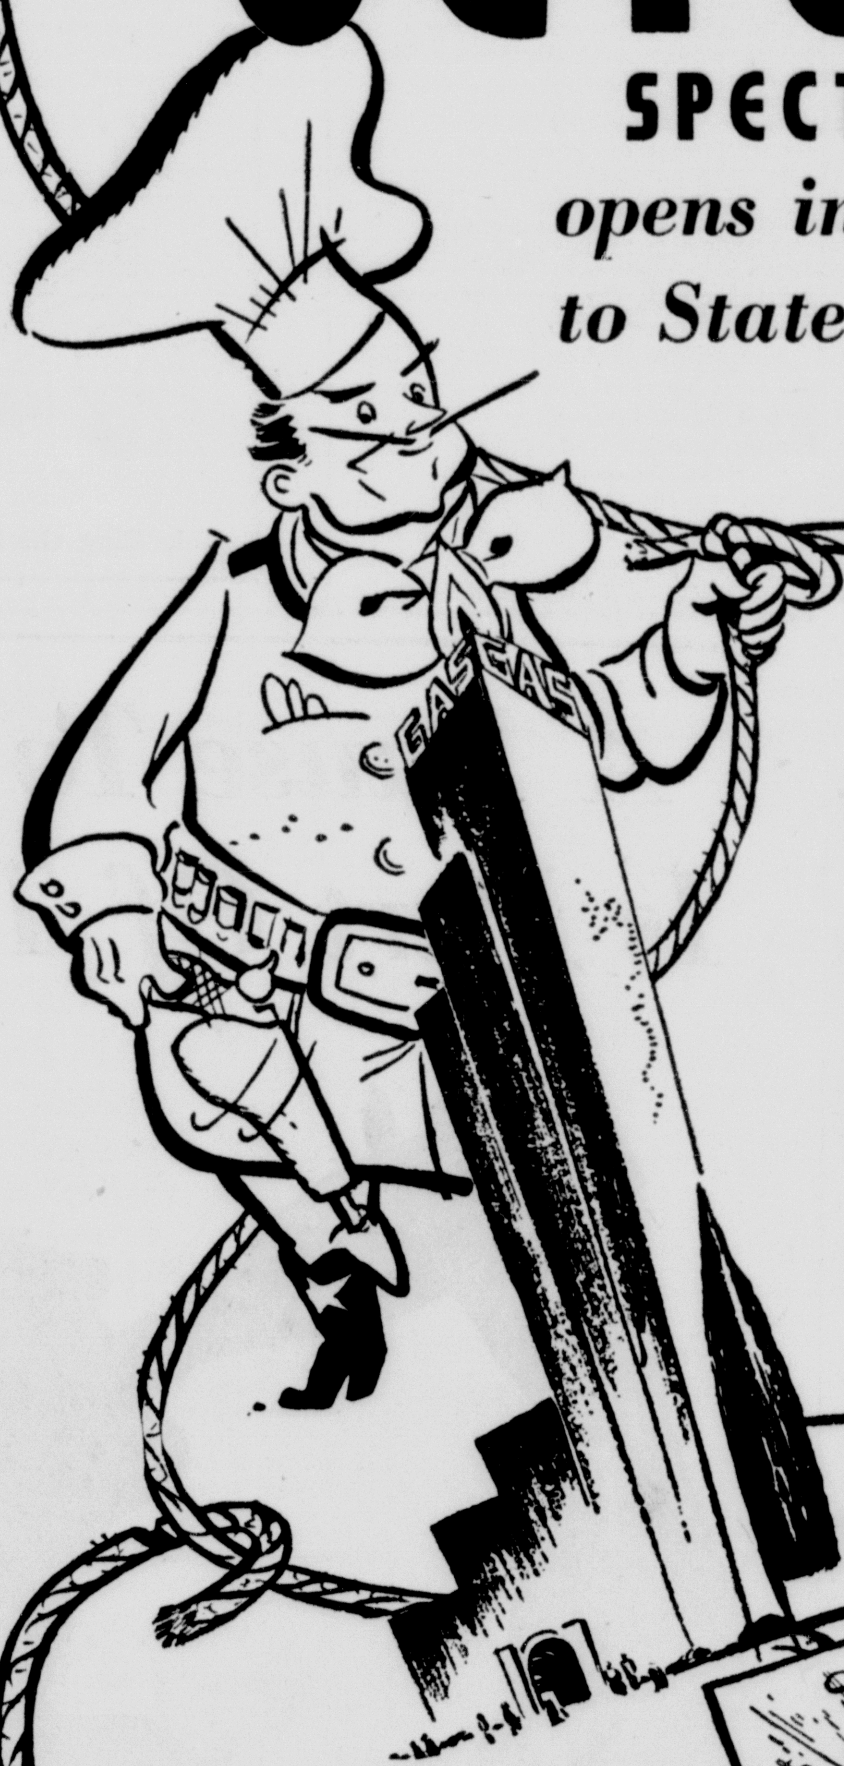

Mr. and Mrs. Burrell McClarren of Freeport were visiting relatives in Cameron a few days this week during the storm.

Cub Scouts Take In Nice Sum At Carnival

The Cub Scout Carnival Tuesday evening at the Emory Camp home was a success, measured in any sense.

The Cubs came out with about \$175.00 net and some 600 people crowded the lawn for the gay evening, staged as a benefit.

Some prizes were left over and they will be used shortly in a similar benefit for the Brownies, it was said by Mrs. Camp.

Cub Scout leaders are deeply appreciative of the response to the carnival program.

Printing is a home industry.

HURRICANE TO SWEEP 450 MILES OF COAST

Hurricane winds were hovering off Galveston at noon Monday and would move into the mainland of the coast in the afternoon if the storm maintained its movement.

Galveston had reported 4 inches of rain Monday morning. The storm had dumped moisture over a wide area of South Texas and rain was reported as far north as Fort Worth.

The Cameron area, apparently to be in the path of the storm as it

STORM BULLETIN

The Gulf storm would hit the Texas Coast between Galveston and Corpus Christi sometime late Monday with the hurricane winds due later in the evening. This would mean that the storm would move inland sometime during Monday night or early Tuesday.

passes inland, had received something like a half inch during the forenoon. Skies were heavy and winds were increasing.

The hurricane was due to move in over an area of some 450 miles of the coast country, probably centering at Galveston.

It was said at noon the wind velocity at the core of the disturbance was around 90 miles per hour.

Storm warnings were issued Sunday all along the coast. There was no feeling that the storm would wreak havoc but it was expected to take a toll along the immediate coast. Inland, rain was being dumped on parched areas.

The full effect of the storm was not due to be felt until late Monday or Monday night and it might be Tuesday before the winds would create any hazards further inland. If the storm moves up the coast the center would be in the East Texas area. The hurricane, said to be small, but very intense, was moving in a northwesterly direction and at a speed of about 15 miles per hour Sunday night. The movement was increasing Monday.

A moisture blanket swept in from the Gulf was as far north as Chicago Monday morning and had spread as far west as the Panhandle.

Mrs. Lloyd Edmonds and two children, Sara and Janis of Austin have concluded a week's visit with her parents, Mr. and Mrs. Julian Baskin.

528,000 WORKERS ARE ORDERED OFF JOBS

PITTSBURGH, Sept. 30.—President Philip Murray of the CIO United Steelworkers tonight ordered his 528,000 workers to strike at one minute after midnight.

The strike orders were sent to 53 basic steel companies, the American company and several from ore mining companies.

Murray announced the telegrams had been fired off a few minutes after he and his five fellow union negotiators had finished a fruitless session with federal mediators.

The strike orders covered workers in these fields:

U. S. Steel corporation subsidiaries, 150,598; other basic steel companies, 223,554; nearly 50 iron ore mining companies employing 12,117 in Minnesota, Michigan, Wisconsin and Missouri; and 23 plants of the American Can company, which employ 14,835 workers in New York, Maryland, Pennsylvania, Ohio, Indiana, Illinois, Minnesota, Missouri, Georgia, Alabama, Texas, California and Utah.

President Truman said he would take no further steps in the nationwide dispute.

A government mediator said that

"for all practical purposes the strike is now on".

And everywhere plants were shutting down and workers were leaving their jobs.

Word that Mr. Truman planned no further action came from Presidential Secretary Charles G. Ross. Another White House official who would not be identified by name was asked if Mr. Truman might take any action. The answer:

"He is through." U. S. Mediator William N. Margolis said negotiations would continue right up to the final hour. He reported neither side had budged, but that he would keep hunting an insurance and pension plan that would satisfy both big steel and the union.

Milano Methodist Host To Bryan District Meeting

The Bryan Sub. District held its monthly meeting at Milano September 26. Bryan, Hearne, Franklin, Gause, Caldwell and Cameron were represented.

The meeting opened with a business meeting with reports from each group. Milano won the MYF banner for the highest percentage of attendance at church Sunday School and MYF.

At the close of the business meeting Gene Cragg of Bryan had charge of the games after which refreshments of cold drinks and cookies were served. The meeting closed with a candle light worship program given by the Milano MYF. Nona Bess Mills, Judy Dickerson, La Nell Hadcox, Wilma Pierce, Nancy Ford, Jo Ann Miller, Barbara German, Sue Ann Mills, Ronald Westbrook and Addie Mae Kirk entered the darkened church bearing lighted candles to the altar.

The theme, "Our Father's World" was opened by singing, "This is my Father's World." Jo Ann Miller read the 95th Psalm the choir sang the "Gloria Patri." Sue Ann Mills sang, "I Need Thee." Addie Mae Kirk read the 8th Psalm.

Bro. Landrum led the responsive reading. The choir closed with, "Day is Dying in the West." The closing prayer was led by the pastor with choir kneeling at altar after recessional. Gene Cragg gave the benediction.

Mr. and Mrs. Roy Baskin who have been spending several weeks with their sons, Dr. Roy Baskin and Dr. John L. Baskin who are with the Mayo Bros. in Rochester.

Clayton Baker who was recently injured when his right foot was caught in a combine while cutting feed is much improved in St. Edwards Hospital. He is the son of Mr. and Mrs. Clyde Baker of Marlow.

K. TOMASEK DIED IN BUCKHOLTS FRIDAY

(From the Daily)

Karal Tomasek, 84, widely known pioneer resident of the Buckholts community, died at his home there at 7:30 Friday morning, September 30.

Mr. Tomasek had been a resident of the Buckholts community for the past 50 years.

Funeral services were to be held by Rev. H. E. Beseda of the Czech-Moravian Church in Caldwell, at the Chapel of the Marek-Burns Funeral Home in Cameron at 2:30 Saturday, October 1. Interment in the Corinth cemetery.

Surviving are his widow, Mrs. Rosie Tomasek, five sons, Joe Tomasek of Cameron, Eddie and Julius Tomasek of Buckholts, Charlie Tomasek of Temple and Freddie Tomasek of Houston, and one daughter, Mrs. Clara Voles of Frankston, Texas.

WE GET .57 RAIN

Cameron received .57 inches of rain on Monday and up to Tuesday morning, according to L. W. Smith, government observer at the Community Public Service Company. Temperatures varied little for the high was 75 and the low was 71.

Joe Janes of Buckholts is ill in Newton Memorial Hospital.

Ray Woods was a welcomed Cameron visitor one day this week.

105 Laboratories In State Qualify For New Blood Test Law

AUSTIN, Oct. 4.—The state health officer, Dr. George W. Cox, said 105 Texas laboratories have qualified to make blood tests under the new state marriage law, which goes into effect Wednesday.

The new law requires both men and women to have the test before a marriage license is issued.

Dr. Cox estimated the laboratories which qualified comprise about one fifth of those in Texas.

Under the new law blood tests are required for those who get married. Milam county couples will have to go to Temple. But, there is a catch in all laws. The judge of a local court can issue permit to get around the blood test law.

MARLOW NEWS

Mrs. M. L. Webb, Jr., and son of Baton Rouge and her friend, Mrs. Eugene Lynas of Hot Springs spent the past two weeks visiting Mrs. Webb's mother, Mrs. Kittie Mode and other relatives.

Friends will be glad to learn Miss Mary Mode is much improved after recent operation and is able to be at her work.

Mrs. Minnie Lamkin is visiting Mrs. Jack Bigham in Elgin this week.

Mr. and Mrs. Hugh Edmondson and son of Port Lavaca spent the week end with Mrs. Dora Coward and daughter.

Sam Hohenstein and Rudolph Marek transacted business in Houston one day this week.

Mrs. Howard Baskin is visiting relatives in San Antonio this week.

WINDS DIMINISH AS STORM SWEEPS COAST

(From the Daily)

The Gulf hurricane had passed inland at noon Tuesday and was centered about 40 miles north of Houston and was due to diminish rapidly during the afternoon and spend itself in the pine woods of East Texas.

The storm hit the Texas coast around 11 p. m. Tuesday, sideswiping Galveston and swept Houston with full force. Winds in Houston were upwards of 90 miles per hour.

So far as known only one person is missing, a resident of Palacios. The man was unreported and may have perished.

Damage would run into the millions but mainly to crops and vegetation. Considerable damage was reported in Freeport in the direct path of the storm but Houston, despite its enormous area and some three quarter millions of people, had very little damage to report and no loss of life.

The only effects to be felt in Cameron was high northeast winds and rain squalls. Heavy rains were reported in the coast region. Port Arthur had 7½ inches and the rain was heavy in proportion in other areas of the coast.

The winds were diminishing as the storm swept island and Palestine in the path of the storm was expecting winds about 50 miles per hour.

The industrial port town of Freeport, site of the great chemical industry of the Dow Company, was hardest hit, but so far as known there was no loss of life. Storm refugees were scattered inland as far north as Cameron and Temple. Many of them left their homes just ahead of the big blow and drove through the night to safer lands in central Texas.

Draft Board Hours Here Are Changed

Six registrars have been named to supplement the local draft board and new hours have been named for the operation of the board here, it is announced by Loreta M. Brock, chief clerk.

The board offices here will be open from 8:45 until 12:00 noon Monday through Friday each week.

Registrars are: Lon M. Peoples, Milano; Norman Clement, Thorndale; G. C. York, Rockdale; John P. O'Neill, Burlington; Floyd Stark, Buckholts; Ed Gunn, Cameron.

Mr. Gunn will take registrations on Saturday when the local board is closed. The appointment of registrars is for the convenience of young men who become 18 and are unable to come to the local board.

Vera Fisher, County Treasurer visited in Temple Saturday.

People at Fair Pass Up Tractors to Watch Pulling Match

Tractors may be more efficient on the farm, but horses proved better drawing cards at the state fair in Syracuse, N. Y.

Given a choice of watching a tractor demonstration or a horse pulling contest 50 persons turned out to see the tractor in operation, while 2,000 gathered to watch horse teams match pulling strength.

Future Farmers At Yoe High Take Prizes At Temple Fair

Yoe High Future Farmers returned from the Central Texas Fair in Temple with the following ribbons and banners:

First Place, Poland China boar, owned by the chapter.

First Place, Light weight calf, owned by Jim Matyastik.

Fourth Place, Poland China gilt, owned by Eugene Polzer.

Fourth Place, light weight calf, owned by Eugene Polzer.

Reserve Champion pen of Barrows and Reserve Champion barrow owned by Ardel Pagel.

The boys got a total of \$149 premium money.

Area 111 is holding its annual awards banquet in Houston Monday night, October 3. Wallace Colburn will attend as the area First Vice President. Three boys will attend who are receiving their Lone Star Farmers degree, Eugene Polzer, Wayne Barnes and Harvey Weems.

Yoe High Chapter will receive the gold emblem award which is the highest rating for any local Future Farmer Chapter.

HURT IN DELIVERY MISHAP

Edward Tindall was injured late Saturday at the intersection of North Crockett and West 3rd Street. Taken to St. Edwards Hospital he was later released. The delivery truck driven for Esslinger Grocery by Tindall, crashed into a truck and was overturned. Officers who investigated said that reckless driving may have caused the accident. A truck driven by a Mexican whose name was not ascertained figured in the crash.

Miss Malchin Rischar and sister, Mrs. Dan Legacy have had as house guests, Mr. and Mrs. Vernon Sage, of California. They left the first of the week for a visit with relatives in Quincy, Ill., before returning to their home.

Mrs. Thelma Hughes has returned to her home in Houston after visiting her parents, Mr. and Mrs. M. A. Baggerly and other relatives in Cameron.

DODGERS AND YANKEES WIN LEAGUE PENANT

The Brooklyn Dodgers and the New York Yankees won the National and American League Pennants Sunday and will meet in the world series.

The gallant and gritty New York Yankees, as dead game a ball club as ever stepped on a diamond, won the American League pennant today when Vic Raschi pitched a five-hit 5 to 3 victory over the Boston Red Sox.

At the same time, the Brooklyn Dodgers—those Bums who wouldn't fold—exploded with two runs in the 10th inning to batter down the extremely tough Philadelphia Phillies, 9 to 7, and win the National League flag.

The St. Louis Cardinals, trying to the very end, flattened the Chicago Cubs, 13 to 5, but it was a futile effort. St. Louis trailed the Dodgers one game going into Sunday's contests, and the Brooklyn team had to lose for the Cards to have a chance.

And so it will be the Yanks and the Bums for the World series hunting—just as it was in 1941 and 1947. The Yanks won those two, and will be trying for No. three when the series opens Wednesday at the big stadium that Babe Ruth built.

The first two games of the series

The 1949 World Series will open in Yankee Stadium in New York Wednesday, October 5 at noon, Cameron time.

Young Man Charged With Burglary In Store Robbery Here

Treedo Wilcox, 18, of Dallas, employed as a painter with a bridge construction gang here, was charged with burglary Monday morning after he had been lodged in jail and money he took from a local store, recovered.

Wilcox entered the Matula Grocery in Santa Fe town Saturday night where he took \$3.14 and a few other coins. Officers here said he tried to open the safe. He entered the building through a skylight.

Charles McDermott, student at Texas A&M College, home for the week end and visiting in the E. J. Sebesta home during the evening, discovered the young man in the store and called Marshall Terry, night policeman. As the officer approached the young man ran and was followed by Terry and McDermott. He was taken into custody near Michalka Motors on South Travis.

Billie Mae Lunsford Is Band Sweetheart; Will Be Presented

Miss Billie Mae Lunsford has won the Band Sweetheart Contest and will be formally presented during half time ceremonies at the Cameron-Waco Tech football game Friday night on Yoemen Field.

The contest ended Saturday night, October 1. Miss Lunsford reported \$305.17 for votes cast for her. In second place was Miss Frances Vogel-sang with \$223.89 in votes and a close third was Miss Deirdre Denson with \$223.29 votes. Total receipts, according to Francis Cox, Band Director, were \$837.29 and this amount was approximately the same as last year.

Other candidates for Band Sweetheart honors were Nancy Ingram, Shirley Smith, Shirley Scarborough, Betsy Caperton and Evelyn Armstrong.

E. M. Cook of Austin was a Cameron visitor for the week end.

Achievement Day At Dallas Fair For Ownership Borrowers

Wednesday, October 12 will be Farm Ownership Achievement Day at the Texas State Fair in Dallas, it has been announced here by Roy M. Wright, Supervisor for the Farm and Home Administration.

Mr. Wright has just mailed letters to all farm ownership borrowers in the counties of Milam and Burleson. A bus will be chartered to take the families to the fair.

Farm officials set aside a day in 1948 and it was a success and this year another Ownership achievement day will be held. Farm families who have worked out their destiny through federal loans to own their farms will be selected for radio programs. There will be interviews for television broadcasting.

Judge Marvin Jones, Chief Justice of the Court of Claims in Washington will be the speaker.

Weather Warms Up Here; Low Was 70 Degrees Monday

The weather warmed up considerably over the week end according to L. W. Smith, of the Community Public Service Company, local government observer.

From a low of 49½ degrees Saturday morning the temperature rose to 70 degrees Monday.

Saturday the high was 83 and the low 47½. Sunday the high was 84 degrees and the low was 63 degrees. Rain fell Sunday in the amount of .10 and on Monday a total of .15 had fallen making a total of one quarter inch.

Henry Shuffield of Austin spent the week end in Cameron visiting relatives.

Mrs. Beuford Coats and children of Alvin visited relatives in Cameron over the week end.

JONES PRAIRIE HEARS ABOUT MILK PROGRAM

Milk production in Milam county as a supplemental farm income is being stressed in a series of meetings with farmers and representative leaders in a number of communities.

Thursday night at Jones Prairie the meeting was tacked on to the formal opening of the recreational building. Approximately 100 were in attendance.

W. E. Smith of the Borden Company was principal speaker and R. H. Glenn was chairman, introducing the farm leaders and the speaker.

Among those attending from Cameron were L. G. Smith, manager of the Chamber of Commerce, J. D. Moore, county agent, Roy Wright with the Federal Housing Administration, Mrs. Eula Sotherland, Home

THE CAMERON HERALD

OCTOBER 6, 1949

Economics Teacher at Yoe High School, Sam White, teacher in the Veterans' Agriculture School, Mr. and Mrs. L. Van Perkins, Mr. and Mrs. F. E. Jackson and Mr. and Mrs. A. R. McLerran.

E. B. Yager of Jones Prairie, opened the meeting with a prayer. The women of the community decorated the new building with seasonal flowers and it was very attractive.

Mr. Smith for the Borden company made a strong and convincing appeal for milk production. His talks are being sponsored by the Chamber of Commerce in Cameron.

The new building was recently re-decorated and will be used for farm and other meetings in the community. Refreshments of cake and punch were served.

Under the program being sponsored milk production would be possible

with a very small investment because it is not the higher qualifying standards, but a program in which all farmers may enter, with milk route everywhere.

Mrs. S. Short is much improved and has returned to her home from St. Edwards Hospital after her recent accident. Mrs. Short while caring for a cow was accidentally hit in the chest and suffered painful bruises.

Mr. and Mrs. Grady Goodwin and daughter and son, Melvena and Grady Leroy, Jr., visited Mr. and Mrs. E. R. Hearne and children in Bryan Sunday.

OLSEN and JOHNSON'S
FIREBALL FUN-FOR-ALL
every Thursday on Television

"Buick's the Buy"

It's part of every street scene—something you see every day.

Car owners in three different price classes—all happy about the same thing.

One of them drives a new Buick SPECIAL, which you see poking forth its new, bold-look forefront at the left of our picture.

Another will tell you there's nothing like the SUPER's "happy medium" of size and comfort, power and easy handling, style and standing.

And if you're looking for prestige, where is your money going to buy so much as in that handsome 18-footer, the ROADMASTER, with its 150-hp performance and really royal bearing?

But all these good folks get together on this:

There's no ride quite so soft and cushiony as the Buick ride, whatever the size and series. There's no power quite so satisfyingly lively as Buick's high-compression, high-pressure Fireball power.

Above all, there's no "buy" like a Buick—no car that gives you such a rich dollar's worth of smartness, handling, comfort and liveliness for every dollar you pay.

So why not look the whole line over? Your Buick dealer has these grand travel-mates in a baker's dozen of different body types and sizes. Start your shopping in his showroom—and you'll find that even on delivery he has exactly what you want.

BUICK alone has all these features

Silk-smooth DYNAFLOW DRIVE* • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRIFLEX COIL SPRINGING • Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS (Dynaflo Models) plus HI-POISED ENGINE MOUNTINGS • Low-pressure tires on SAFETY-RIDE RIMS • Double-Duty VENTIPORTS • DUREX BEARINGS, main and connecting rods • BODY BY FISHER • Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

When better automobiles are built BUICK will build them

MOSCOW RENOUNCES FRIENDSHIP PACT

In a formal note of renunciation today the Soviet Union struck down all pretense of relations with Yugoslavia and canceled its treaty of friendship.

In writing off the Slavs the Reds have moved closer to a showdown in the Balkans where their satellites are thick.

There was no immediate repercussion in world capitals on the treaty cancellation by Russia. Stripped of all diplomatic fog it appeared that Russia would very soon make an armed conflict of it with a possible punitive expedition into Yugoslavia to drive the Tito regime from power.

The United States, England and France are deeply involved in what appears on the face of things to guarantee every nation that will stand up against Russia.

Events in the Balkans may take on a different complexion now that Russia has renounced her treaty with Yugoslavia.

On the International scene the renunciation note was the most grave of the developments.

Cameron Scouts To See Football Game In Waco Saturday

Cameron Scouts will see the Baylor-Arkansas football game in Waco Saturday.

Scouts will attend a Council Round-up and the occasion will be the football game.

A special bus will take the Cameron Scouts to the game and they are scheduled to leave the city around 10:30 a. m. Saturday and will be led by local scout executives.

Scouts will assemble at the Kiwanis Club field near the Municipal Stadium. A previously announced parade has been canceled. A number of scout troops have been asked to usher at the game but the Cameron troops have not been assigned.

Aged People On Old Age Pension Roll Should Defeat Salary Hike For Legislators

Every old man and woman on the Old Age Assistance—Pension Rolls of Texas—should vote against the proposed amendment to the Constitution to be voted on on November the 8th raising the salary of the Legislature. It is the amendment "relative to sessions of the Legislature and to compensation of its Members." It proposes to raise the pay of each legislator from approximately \$1500 for the two year term to \$7200, or \$3600 a year—a raise of nearly 500 per cent. This amendment, if ratified, will go into effect January 1, 1950, and each legislator will receive a salary of \$5600 for 1950. There are 181 Members of the Legislature and they would receive in 1950 and each year following, \$651,600.00, or \$1,303,200.00 for serving a two year term for which they are now receiving \$271,500.00, an increase of \$1,032,200.00.

The Constitution now limits the amount which the state may pay for all old age pensions. Because of this limitation and the large numbers of pensioners on the roll the friends of "the old people" claim they do not get enough in their checks on which to live, so they introduced a resolution to amend the Constitution and remove this limitation. Had this proposed amendment passed the old people would have received more money than they now get. The Legislature refused to submit the amendment. They killed the resolution. But they proposed to raise their own salaries nearly five hundred per cent.

Every old age pensioner should vote against this salary raise. Vote No.

Every person who has a kinsman in an insane asylum should vote against this amendment. If the money proposed in this salary raise were appropriated for the asylums they could take the mattresses off of the cement floors on which the sick and afflicted are now sleeping, and put them on beds for the comfort of these afflicted and unfortunate people. But they preferred the salary raise. Vote against this amendment. Vote No!

26 Young Men Reach Registration Age Under Draft System

Local Draft Board has registered 26 young men who reached the age of 18 years in September, according to Loreta M. Brock, Chief Clerk. The registrants are as follows:

Dick Dalton Drummond, William Arthur Robinson, Frank Atman Brock, Jr., John Henry Braham, Joe Leroy Koenig, Marvin William Glaser, Girland T. Snelgro, Ernest Weidner, Jr., Grady Emmett Williams, Clement Dalton Caffey, Johnny C. Garcia, Otis Jones, Jr., James Willis Harris, Dean Cullen Gamble, Eldee Walter Hengst, William Joe Kachich, Charles Donald Thompson, Howard Richard Schneider, James Harlan Kahler, Ernest Gerhard Woelfel, John Ernst Menzel, Johnny Calvin Pope, Eugene McGoldrick, Mateo Vazquez, Lee Ray Chollett and Robert Lee Mathis.

All young men upon attaining the age of 18 years are required to register and all men who are 26 years of age and under must register upon being released from service in the Armed Forces.

Local Board No. 92 is trying to locate two young men, as they have vital information concerning their status which they wish to convey to them: Ricardo Rivera and Charles Douglas Knight. Anyone knowing the whereabouts of these two men are requested to contact the Local Board Office.

Miss Vera Ruth Turner, student at Mary Hardin Baylor visited her parents, Mr. and Mrs. Lester Turner the past week end.

Roy Vaughan has been confined to his home for several days because of illness. His friends will be glad to know he is doing well and although will not be able to be out for several days, will soon return to his business.

ROBERTSON RESIDENT SHOT IN BUS STATION

HEARNE, Sept. 30—Charges of assault with intent to murder were filed at Franklin today against A. D. Carter, night manager of the Hearne Bus Station, following a shooting incident at the station last night in which James O'Brien, also of Hearne, was seriously injured.

O'Brien is in McCloskey Hospital at Temple where Deputy Sheriff W. O. Baxter of Franklin was told this afternoon that O'Brien was "doing nicely" and apparently would recover.

Carter's bond was set at \$1,500 and he was released from jail at Franklin about 3 o'clock this afternoon after the bond was met. The charge was filed in Justice of the Peace Eunice Mitchell's court at Franklin.

Baxter said his investigation revealed that O'Brien had been in the bus station last night and that an argument had occurred. O'Brien was said to have left the cafe and had come back about 2:30 a. m. today, about the time the shooting occurred. Carter surrendered to Hearne Police Chief N. L. Miller following the shooting. He was placed in jail at Hearne, and was transferred to Franklin today.

O'Brien was shot twice—in the chest and in the stomach. He was carried to the office of Dr. T. A. Searcy here last night, but was transferred to McCloskey Hospital at Temple after receiving treatment at Hearne. O'Brien is a veteran of World War II and is employed by the Lone Star Gas Co., here.

His parents, Mr. and Mrs. W. I. O'Brien, live in the Hammond Community of Robertson County.

Mr. and Mrs. Bryant Goode of Gause are the happy parents of a baby daughter born at St. Edwards Hospital Friday, September 30, 1949. The baby weighed six pounds and six and half ounces.

Mrs. Minnie Sager of Burlington is among the patients ill in Newton Memorial Hospital.

Shack Shaffer transacted business in Ft. Worth Thursday of the past week.

Sgt. Adolph L. Marak Is Coming Home From Service In Japan

Sergeant Adolph L. Marak of Cameron, who is currently stationed in the Far East with the Fifth Air Force, has received orders alerting him for return to the United States for reassignment.

A former student at Yoe High School, Sergeant Marak enlisted in the Air Force in April 1947. He was first assigned to Lackland Air Force Base for basic training. Upon completion of this, he was sent to the Air Force Clerical School at Lowry Field, Colorado, and graduated in January 1948.

Alerting for overseas duty in February 1949, Sergeant Marak arrived in the Far East in March of that year. He was then assigned to Harmon Air Force, Guam, where he remained until February of this year. He was then transferred to Tachikawa Air Force Base, Japan, and assigned to the 374th Troop Carrier Group as a clerk.

Situated just 18 miles west of Tokyo in the foothills of scenic Mt. Fujiyama, Tachikawa is the operational headquarters for the Far East Occupational Airlift.

Sergeant Marak is the son of Mr. and Mrs. John S. Marak of Route 1, Box 285, Cameron. He will sail from Yokahama, Japan, on September 20 and should arrive home by the middle of October.

Mr. and Mrs. Charlie Hightower of Freeport visited in Cameron Monday and Tuesday. Mrs. Truett Chambers was a guest in their home for the week end.

Mr. and Mrs. James Tucker, Mrs. L. B. Crouch, Mrs. Joe Bailey Kirk and children visited Mr. and Mrs. Jack Lefever and children in Bryan Sunday.

J. J. Janicek of Marak was a welcomed visitor in Cameron Saturday of the past week.

Mrs. India Stidham is visiting her son, Syd Stidham and family in Houston this week.

Marjorie Denson, student at Baylor University in Waco was home for the week end.

Storm Tossed Folks Hole Up In Cameron To Escape Blow

Cameron was host Tuesday to dozens of storm chased residents of the Texas Gulf Coast.

Hotels were full and many slept in cars during the night on the streets and around the court house square. Cafes were hard put to take care of the people who came here from the storm area.

They began arriving here early Monday evening and continued to arrive during the night and early Tuesday. The storm struck the coast around 11 p. m. in the vicinity of Freeport with winds up to 100 miles per hour.

Many of the residents planned to return to their homes late Tuesday or early Wednesday. In Freeport power and water facilities were out and the streets were 4 feet deep in water.
